HISTORY OF THE DUROC-JERSEY SWINE

It seems to be well authenticated that the exact origin or early history of the Red Hog, now recorded as Duroc-Jerseys, is not positively known. Many are of the opinion that they are purely American bred, while we have gathered much information pointing toward stock that was imported at an early date, of which we will make mention later on in this work.

It is a fact now generally conceded by all who are interested in this popular breed of swine, that there were two families of them, some years ago, one known as Jersey Reds and the other as Durocs.

JERSEY REDS.

The name Jersey Reds was probably given to this family by Joseph B. Lyman, about thirty-three years ago, who at that time resided in New Jersey, and was the Agricultural Editor of the New York Tribune. Previous to this period they had been called Red Hogs. Mr. Lippincott, of New Jersey, was the first person to advertise these hogs as Jersey Reds.

We find in Clark Petit's History of Jersey Reds, that in the year of 1832, there was a pair of Red pigs shipped from Spain to Salem, New Jersey, and he says "that their unique color at once rendered them objects of special interest in a locality long noted for successful swine breeders and feeders, among whom had long existed a great spirit of rivalry, as to whom should annually win the honor of raising the best lot of hogs, making the greatest average weight at different ages, for which leading Philadelphia butchers paid advanced price." It was soon noticed that the offspring of the Reds universally proved to be quick, profitable feeders almost invariably outweighing those of other breeds at like ages. Much of the superiority undoubtedly arose from their pre-eminent constitutional vigor and consequent capacity to properly assimilate their food.

The hogs bred in New Jersey attained great size, as will appear from the following weights made at different ages:

30 hogs,	22 months old,	averaged.....	686	pounds, dressed.
18 hogs,	22 months old,	averaged.....	734	pounds, dressed.
23 hogs,	20 months old,	averaged.....	639½	pounds, dressed.
34 hogs,	17 months old,	averaged.....	565	pounds, dressed.
51 hogs,	17 months old,	averaged.....	520	pounds, dressed.
17 hogs,	months old,	averaged.....	862	pounds, dressed.
20 hogs,	.....	averaged.....	862	pounds, dressed.
20 hogs,	.....	averaged.....	882	pounds, dressed.
25 pigs,	8 months old,	averaged.....	413	pounds, dressed.
16 pigs,	7 months old,	averaged.....	278	pounds, dressed.
20 pigs,	6½ months old,	averaged.....	280	pounds, dressed.

This list could be much extended, but we deem this sufficient to show an idea of the size the Jersey Reds attained and the feeding qualities they possessed.

Twenty years ago, old men in Burlington and adjoining counties, New Jersey, could not remember a time when there were not Red Pigs, neither could they

tell where they came from. Mr. Brown, of Windsor, N. J., said he had seen them bred with uniformity of great size fifty years ago.

DUROCS.

In giving the history of this family of Red Hogs, we have no better authority than is given in Vol. 1 of our records and which is substantially as follows:

The Duroc family of Red Hogs were so called by Isaac Frink, a prominent farmer living in the town of Milton, Saratoga County, N. Y. In the spring of 1832, Mr. Frink took a mare to the noted stallion, Duroc, then owned by Harry Kelsey, in the town of Florida, Montgomery County, N. Y., about 25 miles away. There he saw a litter of ten red pigs, the production of a pair of red pigs brought the year before by Mr. Kelsey, from Oyster Bay, Queens County, N. Y., or imported by him from England. He moved from Oyster Bay to Florida. In regard to the importation of the pigs, the history is not authentic, although Mr. Kelsey told Mr. Frink that they were imported, but the term imported may have been improperly used, as is often the case, even at this late date.

In searching history we find that the produce of these pigs was much sought after, and assumed the name after Mr. Kelsey's famous horse, "Duroc." They spread all through the New England States, and became very popular on account of their great qualities, which we shall hereafter discuss.

In 1830, Wm. Ensign, of Wilbur's Basin, in the town of Stillwater, Saratoga County, N. Y., brought a pair of Red Pigs from Connecticut and the next year he got a few more from the same place. He bred and sold them far and near. Saratoga County was a lively "pork district" in those days, and great interest was taken in the breeding of hogs. The Frink and Ensign families of red hogs were crossed and the breed established. They have been bred ever since, with more or less care and effort at keeping them thoroughbred, but no fixed type or standard was followed (except individual ones). These hogs, according to what information we can gather, possessed most of the characteristics of the Jersey Red family, except they were not so large and were rather finer boned, and no doubt were quite profitable feeders and producers of pork.

Ex-President Thos. Bennett, of Rossville, Ill., furnishes us with some reliable evidence, which comes through a correspondence with the Hon. Cassius M. Clay, of White Hall, Ky. The honorable gentleman says: "The Spanish Red hogs were imported by Hon. James B. Clay, from Spain or Portugal, when minister to Lisbon, under Zach. Taylor in 1850. He gave me a pair of pigs the progeny of which I widely distributed, they being such very fine hogs, easily fattened, and the best hog known at that time. Being such noted hogs, it is no wonder they found their way to New York, New Jersey and all eastern and southeastern states."

It is not saying too much when we (the Red Hog breeders), say that they were the foundation stock of that most popular breed of swine, "Poland-Chinas." The Hon. L. N. Bonham, in one of his histories of said breed, in searching to find out how they came to be named "Poland-Chinas," says that "there was an old Polander who had a herd of very fine hogs, said hogs were the produce from a China sow and a Jersey Red boar. So admired were they, and so noted did they become, that they were named after the breeder (Polander), and the sow (China), hence the name Poland-China. It is a fact that the Poland-China, years ago, had red or sandy spots on them, and not very small ones either, and even at the present time some of the best pedigreed Chinas breed sandy spots." Mr. Bennett says: "In the fall of 1889, I went to see one of the best herd of Poland-Chinas in Illinois, and there saw a

boar good enough for any one. He was bred in Ohio and bought at a big price. As I was looking him over, the proprietor said: 'There is only one fault with that hog,' 'What is that?' I asked, and in reply he said: 'Some of his pigs have sandy spots on them.' This is no doubt due to the fact that, after years of careful breeding, the old characteristics will continue to crop out."

The general appearance of Duroc-Jersey swine has been much changed in the hands of our western breeders, as will be seen by the late standard adopted by the National Expert Association, at Dayton, Ohio, in February, 1889, and by the American Duroc-Jersey Association in the following November. The breed still possesses many of their old-time characteristics, which make them so popular, and as breeders they are doubtless the most prolific of any breed of swine in existence. Young sows usually farrow from eight to ten pigs at a litter, and from ten to eighteen is not uncommon for old sows. The pigs are very strong at birth, and the sows and pigs very seldom need any attention at this time. They almost invariably impart to their offspring their wonderfully prolific breeding qualities, are good quiet mothers, supplied with a generous flow of milk, raise large even litters, and other breeds when crossed with them are greatly improved in vigor and as breeders and feeders.

Below we give some extracts from a test at the Experiment Station of the Agricultural College at Michigan.

The breeds represented were the Duroc-Jersey, the Berkshire and the Poland-China, two of each and all barrows.

The pigs were weighed every fourteen days during the experiment and the gains or losses noted and compared with the food for the period, viz.: from July 16, 1889, to Jaunary 31, 1890—168 days.

It was seen that the two Duroc-Jerseys gained in weight from the beginning. Though as fleshy as any specimens, they were still making excellent gains and were feeding well at time of slaughter. Their average gain was 36.25 pounds per period, or 2.59 pounds per day, secured at a cost of 4.65 pounds of grain for each pound of gain in live weight.

The average gain made by the two Berkshires was 29.16 pounds per period, or 2.11 pounds per day secured at a cost of 5.22 pounds of feed for each pound of gain.

The average gain per period of the Poland-Chinas was 25.91 or 1.85 pounds per day, secured at cost of 5.87 pounds of feed for one pound of gain.

The meat of the different breeds was cooked and tested, and it was the unanimous opinion of those who ate of the meat that that from the pigs making the best gains at the time of slaughter was the most tender and juicy, the sweetest and best. This was the pork of the Duroc-Jersey.

In competition with other breeds in the show ring in a very large majority of cases, the Duroc has come off the winner. Notably at the Illinois State Fair, twice within the past three years a pair of Durocs has won the premium offered by a well known wagon company, all breeds being in the contest.

At the nearest calculation 75 per cent. of the hogs reaching the principal hog centers carry the "red blood," that is, are Durocs or Duroc blood predominates.

More than 75 per cent. of the public swine sales are sales of Durocs. which shows the spirit of enterprise that is backing up the breed.

No breed of swine has been brought to its present perfection, in so short a time as the Duroc, and no hog is as popular with the breeder, the feeder or the packer as is the Red Hog.

Do you want the kind that grows right and sells right? Then breed the Durocs.

ANNUAL MEETING

OF THE

NATIONAL DUROC-JERSEY RECORD ASSOCIATION

HELD AT

KAISERHOF HOTEL

IN

CHICAGO, ILLINOIS, DECEMBER 5TH, 1911

The annual meeting was called to order by President Frazier at the Kaiserhof hotel, who called the secretary to read the call of the meeting.

A motion prevailed that the chair appoint a committee for passing on the legality of the proxies, and R. J. Harding, J. J. McLain and G. Van Patten were appointed.

While waiting for the report of the committee on proxies it was suggested that the reports of the officers be read.

The president's annual address was read and appears in the minutes as exhibit A.

The secretary's report was read and adopted and is as follows:

Stockholders of the National Duroc-Jersey Record Association. Gentlemen —I beg to submit to you the following report for the year from December 1, 1910 to December 1, 1911:

Receipts—

128,998	pedigree blanks at 1c each	$ 1,289.98
19,180	pedigrees recorded at 50c each	9,590.00
6,295	pedigrees recorded at $1 each	6,295.00
1,649	pedigrees recorded at 75c each	1,236.75
708	pedigrees recorded at $1.50 each	1,062.00
191	duplicate pedigrees at 25c each	47.75
282	pedigrees transferred at 25c each	70.50
593	herd registers at 75c each	444.75
501	shares capital stock	5,010.00
75	shares capital stock transferred	75.00
4	mailing lists	4.00
	Old volumes	32.50
	Exchange	5.75
	Total	$ 25,163.98

Disbursements—	
Volume postage	$ 1,711.50
Daily postage	729.97
Office rent	545.00
Miscellaneous	552.09
Supplies	957.50
Miscellaneous printing	1,149.26
Clerk hire	2,851.90
Secretary's salary	1,916.60
Secretary's expenses attending Illinois, Indiana and Kentucky State fairs	36.53
Treasurer's salary	100.00
Board of director's expenses	835.46
Volume printing	8,455.32
Reissued shares	225.00
Fair premiums	520.00
Total	$20,586.13

By a mere statement of the yearly receipts and disbursements it is not possible to show the real results of the year's work.

On December 1st, 1911, we had filed in volume 40 which is not closed, 7324 pedigrees, which at the approximate cost of printing the herd book would be $1970.16 and for mailing this portion of the herd book would be $490.71. Also the cost of mailing Volume 39, which was not paid until after December 1st, 1911, was $631.62 or a total of $3092.49.

During this year we have paid for printing 2900 pedigrees in the herd books, more than we have recorded in the same period. So this year's business should be credited with $974.40 for this outlay. Also of this year's disbursements $852.82 was expended on office equipment, making a total of $1827.22 which should be added to $4577.85 the credit shown by the year's business making in reality a credit of $6405.07 to this year's business. The report of the executive committee shows that the association has property to the amount of $25,053.61. If we should deduct from this amount $3092.49 as shown above, as the amount necessary to finish the work of printing herd books and mailing them out for which the association has received the revenue we would in reality be worth today $21,961.12.

J. R. PFANDER, Sec'y.

The treasurer's report was read, and is as follows:

To the officers and members of the National Duroc-Jersey Record Association.

Gentlemen—

Your treasurer would make the following report of the handling of your funds for the year December 1, 1910 to December 1, 1911:

Balance on hand Dec. 1, 1910	$17,383.92
Received from secretary	25,163.98
Received for interest on $6,000 loan for two years	600.00
Received for interest on short time certificate	60.00
Total	$43,207.90

Less warrants paid	17,344.75
Balance on hand Dec. 1, 1911	$25,863.15
Balance Dec. 1, 1911 in Citizens' State Bank, Blair, Neb.	$ 2,157.92
In Citizens' Trust and Savings Bank, Blair, Neb	4,500.00
Check for Nov., 1911, business from secretary	2,205.23
In farm loans	17,000.00
Total	$25,863.15

Statement showing interest earned and unpaid, but not due December 1, 1911, on loans owned by the association, $192.94.

Respectfully submitted,

E. Z. RUSSELL,

Treasurer.

The report of the executive committee was read, and is as follows:

To the members of the National Duroc-Jersey Record Association:

Gentlemen—We, the executive committee of the Board of Directors, beg to report that we have carefully gone over the books of the secretary and treasurer, from December 1, 1910, to December 1, 1911.

We find that from all sources the secretary has received $25,163.98; that he has drawn warrants for $20,586.13, of which $3,241.38 have as yet not been presented to the treasurer for payment. We find that by $17,383.92 the balance reported on hand by the treasurer December 1, 1910, adding $25,163.98 receipts as shown by secretary, and adding $660 interest received on loans, then deducting $20,586.13, amount of warrants issued as stated above, less $3,241.38, amount of warrants unpaid, to agree with the books of the treasurer. The treasurer's books show on hand $25,863.15. To balance this we find that the treasurer has on hand monies as follows: On deposit in the Citizens' State Bank of Blair, Neb., to the credit of the National Duroc-Jersey Record Association $2,157.92. In the Citizens' Trust and Savings Bank, Blair, Neb., $4,500, drawing 4 per cent interest. Check of the secretary for receipts of the office for November, 1911, $2,205.23; invested in farm loans, $17,000; total, $25,863.15. If all warrants now issued were paid we would have on hand $22,622.07; we have earned and unpaid interest amounting to $192.94. Our inventory shows that we have office fixtures and supplies valued at $2,238.60, making a total of all resources of $25,053.61.

Respectfully submitted,

R. J. HARDING,
G. VAN PATTEN,
J. J. McLAIN,

Executive Committee.

Inasmuch as the proxy committee were not ready to report, a motion prevailed that the proposed revision of the articles of incorporation and by-laws be read as reported by the committee appointed at the last annual meeting for that purpose, and appear as exhibit B.

The report of the committee on proxies is as follows:

We, the committee on proxies beg to report that Iowa is represented by 204 proxies; Nebraska, 167; Kansas, 110; Wisconsin, 23; Illinois, 91; South Dakota, 36; Minnesota, 32; Missouri, 73; Texas, 80; Oklahoma, 57; Colorado, 8; Montana, 5; Indiana, 10; Washington, 6; Louisiana, 6; Arkansas, 7; Tennessee, 2; California, 3; Michigan, 5; Idaho, 5; Ohio, 11; Oregon, 7; Utah, 3; North Da-

kota, 3; North Carolina, 2; Virginia, 1; Georgia, 1; Manitoba, Canada, 1; Pennsylvania, 1; Florida, 1; New Mexico, 1; Individual proxies; Frazier, 1; Pfander, 1; Ferguson, 1; McFarland, 1; Russell, 1; 1 illegal proxy.

R. J. HARDING,
G. VAN PATTEN,
J. J. McLAIN,
Committee

Secretary Pfander asked to be excused from voting proxy sent him.

Election of officers being the next thing in order, a motion prevailed that where only one nomination was made for an office, that we vote by acclamation; where more than one nomination, we vote by ballot.

Mr. Ed. Baxter was nominated by Mr. Browning, and Mr. Wm. Reed by Mr. Davis for president. By permission the name of Mr. Reed for president was withdrawn, and a motion prevailed that Mr. Ed. A. Baxter, Pawnee, Ill., be elected by acclamation.

A motion prevailed that the chair be instructed to cast the entire vote for Mr. Baxter for president.

Mr. R. J. Harding was unanimously elected first vice president; Mr. W. M. Putman was elected second vice president; J. R. Pfander was elected secretary; E. Z. Russell was elected treasurer.

The following nominations were made for board of directors (three to be elected): Frank Burt of Wisconsin, A. R. Barnes of Nebraska, Wm. Reed of Iowa, C. F. Burke of Colorado, E. W. Davis of Missouri, L. E. Thomas of Illinois. On ballot, A. R. Barnes, Wm. Reed and C. F. Burke having received the highest number of votes, were declared elected.

On motion by R. J. Evans, the proposed revision of the articles of incorporation and by-laws be adopted as a whole, subject to corrections in minor details by the board of directors if deemed necessary by the association attorney.

A motion of thanks was tendered the management of the Hotel Kaiserhof for the use of the parlor for the meeting.

A motion prevailed that the chair appoint a committee to confer with a like committee from the American Association, if appointed, regarding the holding of a Duroc-Jersey congress. Appointed on this committee were Ed. A. Baxter, W. T. Harris and E. Z. Russell.

No further business appearing, a motion to adjourn prevailed.

TOM FRAZIER, Pres.
J. R. PFANDER, Sec.

EXHIBIT A, PRESIDENT'S ADDRESS.

Gentlemen:

I am indeed glad to note the large and representative attendance of active breeders at this, our 20th Annual Meeting. I do not feel justified in taxing your time and patience with a discourse on our wonderful breed of swine.

The reports of the secretary and treasurer and executive committee will show most completely the financial condition of the corporation. I bespeak for them your careful attention.

Since our last meeting, I am pleased to say that we have moved the secretary's office into a modern fire-proof bulding. When you realize that there is probably no other business so dependent on the preservation of all records and documents from destruction by fire, you will appreciate the importance of

this move. The unprecedented growth of business has necessitated the purchase of considerable new furniture and fixtures, and increased help in the office. I believe we now have not only the largest record association of pedigreed swine in the world but I believe the most complete and up to date equipment, as well as the most accurate method of handling the same.

During the first eighteen years of the corporation, the total receipts from recording fees, and sales of stock were $122,302.40 with cash assets of $11,339.60, leaving a cash balance on hand of 9¼ per cent. of the receipts. For the two years of 1910 and 1911, the total cash receipts were $41,551.23, with cash assets of $25,863.15, or 35 per cent. of the receipts

The object of this statement is merely to show that with all this additional expense, a great deal of which is really not expense but necessary equipment for properly conducting the business of the corporation, we have put aside a much greater per cent. of the receipts to our investment funds than ever before. We have issued for 1911, 501 shares of stock as against 298 for 1910, an increase of 60 per cent. in one year. We now have issued 3,629 shares of stock, and as our authorized capital stock is only 4,000 shares leaving only 371 shares not issued, it is necessary to increase our capital stock at the next annual meeting.

In this connection, I call your attention especially to the report of the committee on revising the constitution and by-laws, appointed at the last meeting.

It is especially important that the section relating to the amendment to the constitution be passed at this meeting in order that we may legally increase our capital stock. This amendment has been declared legal by the association attorneys.

At our last annual meeting, we had just mailed out volume 36, we have within the last few days issued volume 39 or 28,045 pedigrees for the three volumes issued this year.

I wish to call the attention of all breeders to the importance of becoming familiar with the instructions as to the making out of pedigrees. If it were possible for every one to send in an accurate and correct pedigree, it would cut down the expense of the office force enormously. While on this point I wish to assure you that every one is treated exactly alike in these matters. I am sure you appreciate the fact that for a pedigree record to be of any real value, it must be correct and to attain this point, it is necessary to have certain rules and then enforce these rules on all alike.

It would be a great thing if every breeder could visit the office, and see for himself the method now in use. I feel sure it would not only cut down the expense of the office, but remove a great deal of the embarassing and disagreeable work that falls on your executive committee.

Another thing that causes a great deal of work for this executive committee, and dissatisfaction among purchasers, is the failure to furnish pedigrees and transfers, but this is thrashed out at each meeting, and still it is an unsolved question.

The offering of special premiums at the various fairs, and fat stock shows, has proven of great benefit to the breed and association, and I trust that same will be increased and extended in the future.

In closing my three years' connection with the administration of the affairs of your corporation, I wish to thank the members, and especially the board of directors for the many courtesies extended me. I do not take any credit to myself personally for anything that may have advanced the interests of the

association. The credit is due to the board of directors, and your splendid secretary, and I earnestly ask for your new board and president, your good will and co-operation.

Respectfully,
TOM FRAZIER, President.

(EXHIBIT B.)

ARTICLES OF INCORPORATION.

ARTICLE I.

The name of this corporation shall be The NATIONAL DUROC JERSEY RECORD ASSOCIATION. It shall commence business on the 30th day of December, 1891. Its principal place of business shall be at Peoria, Illinois.

ARTICLE II.

The object of this corporation shall be the establishment, maintenance and publication of a record of DUROC JERSEY SWINE.

ARTICLE III.

The capital stock of this corporation shall be $40,000.00 divided into 4,000 shares at par value of $10.00 each.

ARTICLE IV.

The indebtedness of this corporation shall not at any time, exceed 15 per cent. of the paid up capital stock. The shares of stock in this corporation are declared to be non-assessable and transferrable only on the books of the corporation upon the payment of a fee of $1.00, and the Secretary shall not sell or transfer to any person or firm, more than one share of stock. Each purchaser or transferee shall be a reliable breeder of DUROC JERSEY SWINE.

ARTICLE V.

The secretary of this corporation shall not be a breeder of DUROC JERSEY SWINE nor directly or indirectly interested in the breeding of DUROC JERSEY SWINE.

ARTICLE VI.

No stockholder shall be eligible to the office of president for more than two (2) successive years.

ARTICLE VII.

The affairs of this corporation shall be managed by a board of seven directors all of whom shall be stockholders of this corporation. Six of said directors, all of whom shall be stockholders of this corporation, to be elected by the members of said corporation. The president of this corporation to be ex-officio, a member of the board of directors. At the meeting of the stockholders of this corporation held December 5, 1911, three (3) new members of said board of directors are to be elected—two (2) of such members, shall be elected for a term

of three (3) years, and one (1) shall be elected for a term of two (2) years, and thereafter, two (2) members of said board, shall be elected each year for a term of three (3) years. No member to be elected for two terms in succession. The term of office of the three (3) members remaining on said board at the time of said meeting Dec. 5, 1911, terminate at the time of the annual meeting in 1912—One of such members, shall continue in office until the time of the annual meeting in 1913. The name of such member so continuing—to be determined by lot.

ARTICLE VIII.

The officers of this corporation shall consist of the president, a first vice president, a second vice president, secretary and treasurer, who shall assume their offices at the close of the annual meeting, except the secretary and treasurer, who shall assume their offices on January first, following their election. The said officers shall perform the duties required of said officers in like corporation and by and under the laws of the State of Illinois.

ARTICLE IX.

The annual meeting of this corporation shall be held at a time and place agreed upon by the board of directors at which time, the stockholders shall recommend the election of a president, a first vice president, a second vice president, secretary and treasurer; which action, shall be ratified by the board of directors. At the annual meeting, each stockholder shall be entitled to one vote for each share of stock owned by him thirty days prior to such meeting.

ARTICLE X.

The board of directors shall choose from their number an executive committee of three (3) members, who shall have charge of the admission of pedigrees for record, under such regulations as may be established by the board of directors, and who shall also examine the books of the secretary and treasurer prior to the annual meeting of the stockholders; at which meeting, a report of the condition of said books shall be made to the stockholders. The executive committee shall decide all charges of whatever nature preferred against any member of this corporation and such other duties as may be required of them.

ARTICLE XI.

A majority of the board of directors, shall constitute a quorum for the transaction of business at any meeting of said board.

ARTICLE XII.

Five stockholders shall constitute a quorum at all annual meetings of this corporation for the transaction of any business connected with such corporation.

ARTICLE XIII.

These articles may be altered or amended at any regular meeting by a two thirds vote of the members present, except ARTICLE V., which will require a two thirds vote of the stock of the corporation, either by person or proxy, to change.

ARTICLE XIV.

Should any member knowingly, impose a fradulent pedigree upon this corporation or knowingly, misrepresent any material fact as to age, breeding or ownership of any animal, while the same is being exhibited at any fair or offered for sale at any place, he shall be tried by the board of directors upon due notice, and written charges filed, and if found guilty, shall thereupon be expelled from membership in this corporation, and all his rights therein forfeited on the re-payment or tender to him of the par value of his stock in this corporation, and said member shall not thereafter be allowed to record another animal in the National Duroc Jersey Record Association. Said trial shall be conducted under such regulations as may be adopted and promulgated in the by-laws of this corporation; and, the result thereof, shall be published in the proceedings of this corporation for the protection of its members.

ARTICLE XV.

Article III, of these articles, may be amended or changed with the approval of two thirds of the members,—30 days notice being given to the members of the corporation of such proposed changes. Members failing to vote on such proposed amendment, shall be counted as voting in the affirmative. The mailing of a copy of such proposed change to said Article III, to the post office address of each member shall be deemed sufficient compliance with this article.

BY-LAWS.

Section 1.—All honorable persons breeding DUROC JERSEY SWINE and having the same recorded, may become members of the corporation by payment of the fees prescribed by articles of the corporation, but no person shall own more than one (1) share of stock at any time.

Section 2.—The president shall preside at all meetings of the stockholders and the meetings of the board of directors. He shall sign all orders drawn upon the treasurer, maintain a general oversight over the affairs of the corporation and report to the annual meeting of the stockholders and make such suggestions as he may deem advisable.

Section 3.—It shall be the duty of the secretary to keep a correct record of the proceedings of all meetings of the stockholders and board of directors in a book furnished for that purpose. To receive all money due the association and pay the same to the treasurer, taking a receipt for the same and to draw and countersign all orders upon the treasurer. He shall be the executive officer of the association,—attending to the editing and publishing of the herd books and transacting the correspondence and general business of the association. He shall be under the direct orders of the board of directors and executive committee, and annually, prior to the annual meeting of the stockholders, make a full report of all business and transactions for the previous fiscal year, and do and perform such other duties as may be required of him by the directors.

Section 4.—It shall be the duty of the treasurer, to receive all money from the hands of the secretary, keep an accurate account of the same, pay them out only on warrants, signed by the president and secretary and countersigned by himself, and make a detailed report to the stockholders at the annual meeting, or at such other times as is required by the board of directors.

Section 5.—Special meetings of the board of directors may be called upon the order of the president of the association, or by the secretary upon a written request of three or more members of the board of directors. The board of directors shall at their annual meeting, fix the salaries for the ensuing year of the secretary and treasurer and such other officers, agents or assistants as may be regularly employed by this association. The board of directors shall require the secretary and treasurer to give bonds in sufficient amount to secure the National Duroc Jersey Record Association from loss. The board of directors shall have power to fill all vacancies except in the board of directors.

Section 6.—The registry fee shall be fifty cents (50c) on each pedigree recorded by the stockholders for all animals bred by or transferred to such stockholders and $1.00 for each pedigree recorded by non-stockholders. Animals two years old or over to stockholders 75c, to non-stockholders, $1.50. In the event of a recorded hog changing ownership, the purchaser must obtain a certificate of sale or transfer and forward same to the secretary for record. If said certificate is not transferred within sixty (60) days of its date, a fee of 25c will be charged.

Section 7.—After selling an animal either already recorded or represented to be eligible for record, the seller must furnish said pedigree and breeding certificate where necessary, within sixty (60) days after delivery of said animal, or seller may be suspended by board of directors from use of the records until said pedigree is furnished.

Section 8.—The secretary and treasurer shall before January first after the annual election, give bond in the amount determined by the board of directors at their annual meeting which when approved by the president, with the advice of the association attorney, shall be filed in the secretary's office.

Section 9.—These by-laws, may be altered or amended at any regular meeting by a two thirds vote of members present.

Section 10.—No dividend shall be declared on any stock received during the year for which such dividend is declared.

Section 11.—Any person desiring an extended pedigree of an animal recorded in this corporation, may obtain same by paying a fee of $2.50 for one containing six (6) generations and an added charge of $1.00 for each generation exceeding this number.
